

UU Youth Enrichment Application

The Religious Education Council proposes to create a scholarship fund available to USNF Junior Youth and Youth (ages 11-18, from USNF member families) to help to expand their involvement in Unitarian Universalism through programs, such as UU conferences, camps, and other opportunities, like camps, workshops, and conferences. Applications are accepted on a rolling basis and are awarded within a month of receipt. Funding will be awarded up to \$300 or 50% the cost of the program. Please note: the UUA matches any grants of \$300, which could bring enrichment money up to \$600.

Phone Number:

Address:

What program are you requesting funds for? (Please attach a flyer or print-out about the program)

How much money are you requesting? What would that money cover? (Please detail different costs if there are any).

Have you received funding in the past? If so, in what year and for how much?

What do you hope to get out of this program? Why are you choosing to do it?

How would you like to share about your experience with the USNF community during the following school year? (For example, giving a short talk, contributing to a worship service, writing an article, or another similar idea).
